You can make paper sculptures for interior decoration!

Printed digital template contains 29 pages A4, 9 pages A3 and 7 pages of instructions (difficulty: medium).

IMPORTANT: To ensure that the numbers and lines of the folds are inside look at the picture.

This is an important condition for the correct geometry of the model. Be careful

WHAT SHOULD I DO?

CHANGE OF SIZE

EQUIPMENT YOU'LL NEED

The materials are protected by copyright, dissemination in electronic and printed form for commercial or other purposes is prohibited.
The file is password-protected, preventing modification in a graphics program and copying of the content. Thank you for understanding!
